as a minister in the african methodist episcopal church an army chaplain a college professor and a prolific writer theophilus gould steward was one of america s leading black intellectuals during the half century following emancipation he was not only a theologian deeply committed to challenging his church

s outlook he also epitomized postbellum efforts to create an african american civil society through religious educational and social institutions integral to citizenship steward actively constructed a theological discourse that challenged both black and white religious and secular institutions yet his tenacious pursuit of high standards often led him into conflict with the very community he served a g miller takes a new look at this key figure in african american history to establish steward s place among the most influential thinkers and activists of the late nineteenth century augmenting what is already known about steward s life with a thoughtful combination of intellectual and social history miller presents steward s ideas within the context of the social political economic and religious trends of his day miller examines steward s accomplishments and writings including his unpublished manuscripts and his overlooked victorian novel to assess the ideas that he left to posterity and to consider how they shaped his times the book devotes individual chapters to the key themes that dominated steward s life african american education reconciling theology with modern science the intersection of rational theology and moral virtues the contradictions of race the role of women in african american civil society and steward s views on the military and imperialism with great insight and clarity miller discloses in a new and original way the rich life and thought of this extraordinary man his study is both a groundbreaking analysis of steward s legacy and an important contribution to the history of american religious thought the author a g miller is assistant professor of religion and nord faculty fellow at oberlin college and an ordained minister in the pentecostal church

this textbook applies insight from the social sciences and history to a wide range of violence inspired by religious motivations
